

STAIRCLIMBERS

PIANOPLAN

STANDARD, VERTICAL, HORIZONTAL

- Standard: protected handle and easily accessible functions, commands with proportional manipulator, reclining helm, hydraulic lift equipped with rollers, independent tracks for curvature, surmountable gradient of 45%.
- Horizontal: same as Pianoplan Standard, plus a horizontal movable platform to allow the transport of objects while maintaining a horizontal position.
- Vertical: same as Pianoplan Standard, plus a vertical platform to allow the anchoring of objects in vertical position, their transport and their storage returning them to the initial position.

Article No		Standard	Horizontal	Vertical
