

STAIRCLIMBERS

BUDDY (LIFT)

IDEAL FOR LIGHT LOADS.

- The vehicle can be loaded and unloaded autonomously and effortlessly by just one operator.
- When the machine goes up the stairs you can change the load's centre of gravity for greater comfort at any time.
- The space to turn on the landing has never been so small. Lifting the load means going practically everywhere.
- Comes complete with
 - Fixing strap
 - Automatic battery charger
 - Standard sheet metal base (35x22 cm)
 - Battery box provided as standard
